Filed: June 23, 2003

Examiner: Chirag G. Shah

Applicant: Koen Deforche

Attorney Docket: TRA-EAS-007

Title: Method and Apparatus for Fair Queuing of Data Packets

Commissioner for Patents
Alexandria, VA 22313

Sir:

This is a timely reply to an Office Action dated March 26, 2007. This amendment increases the number of independent claims to four. The \$100 small entity fee for one independent claim in excess of three is included herewith. If any additional fee is due, please charge the fee to deposit account no. 07-1732.

A Statement of the Claims begins on page 2.

Remarks begin on page 12.
